PROJECTS

August 2022 - Present

War Tools

Role - Sole Developer

A companion tool for the game Warhammer 40k that very quickly went from a summer project to a project I spend a lot of time maintaining.

<https://wartools.xyz>

June 2022 - Present

The Pitwall

Role - Lead Developer

A numbers tracking tool meant to mimic real world racing pit walls but for sim-racing, allowing the others to help the driver as though they were they're pit crew.
